

SEPT. 21-27, 2023  
CHENGDU, CHINA

# The XIV Congress of the International Association for Engineering Geology and the Environment

Theme  
**04**

*Geoenvironmental Engineering and Ecological Solutions*

## Chairs

**Yujun Cui**  
Ecole des Ponts ParisTech

**Bin Shi**  
Nanjing University

Session **01** Green Resilient and Innovative Solutions for Sustainable Development

Session **02** Engineering Barriers

Session **03** Advances in Geological Reinforcement Techniques

Session **04** Atmosphere-plant-soil Interactions

Session **05** Sustainable Remediation of Contaminated Sites

Session **06** Novel Contaminants in Environmental Geology

Session **07** NbS (Nature-based solution) for environmental protection and ecological restoration

Session **08** Recent Development in Bio-Geoengineering

Session **09** Utilization of Solid Waste in Geotechnical Engineering

Session **10** Expansive Soil/Clay and Its Environmental Effects

Session **11** Solid Waste Landfills and Relevant Environmental Geotechnics

Session **12** Sustainable and Resilient Construction and Materials

## Important Dates

Abstract for Oral Presentation and Poster Submission Deadline:  
**June. 30, 2023**

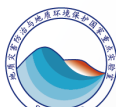

Abstract for Oral Presentation and Poster Notification Deadline:  
**July 10, 2023**
